WELCOME

“We have this hope, a sure and steadfast anchor of the soul...”-Hebrews 6:19

Confirmation is a 2 year journey for our students to dive into Scripture as a community together through the Old and New Testament. Over the course of the 2 years we live into the two main questions in the Covenant Denomination: "**How's your walk with Jesus?**" and "**Where is it written?**" My hope for the students is that they will know Jesus loves and pursues them and that confirmation is an invitation into a personal lifelong journey with Jesus. Confirmation isn't just informational, but transformational: finding for themselves where Scripture guides their lives in their faith questions.

It has truly been an honor and privilege to walk beside each of your students this year and I am so proud of them for bravely confirming their faith and living a thriving life guided by Holy Spirit.

Confirmation Blessings

Claire- We are proud of so much about you and especially your honesty, kind and loving heart, determination, sense of humor, energy, and feisty spirit. We admire how you set your mind to something and then work at it and how you have learned to advocate for things that are important to you. We would ask that God bless you, walk with you, and watch over you as are confirmed and as you embark on the next exciting chapter of your life. Amen

Kayden-your kind, empathic heart and your commitment to your faith set you apart and inspire those around you. May the Lord continue to guide and encourage you so you can continue to pour into others. We are so proud of who you are and how you interact with the world.

Ben- we are so proud of the young man you are becoming. You are smart, kind and a joy to be around. Our prayer for you is that you live out Micah 6:8... That you would act justly, love mercy and walk humbly with our God.

Sidney- Remember that you are braver than you believe, stronger than you seem, smarter than you think, and loved more than you will ever know. May you always find peace and comfort in knowing that with God all things are possible.

Colton, Weston and Addilyn- We could not be more proud of you for choosing to confirm your faith. We wish you all of God's blessings on your confirmation day. May the belief in your heart in Jesus Christ grow strong with time and may you feel him in your trials and celebrations in the years to come. We love you very much. Love, Mom & Dad

Keaton- May blessings and joy surround you as you celebrate your confirmation. We wish you strength, guidance, and a deep sense of faith as you continue your spiritual journey. We love you for your sense of humor, kind heart, and loving spirit.

Vincent Matthew- You've prepared your heart in so many ways for your Confirmation Day, through study, prayer and service. I pray you will always live a life of faith, inspired and strengthened by the Holy Spirit. I hope you never stop asking questions, stand firm in your faith, be courageous, be strong, extend grace to others, use all of your gifts for good and that you remain true to your heart. I am so proud of you! Love, Mom oxox

Makayla: your heart is pure and your willingness to jump "all in" to everything you do will continue to lead your life in a positive direction. We pray that you act as a lighthouse and continue to stand strong in your convictions and shed your light on all those around you.

Payton: your determination, grit and sound moral compass are unmatched and we cannot wait to see where that may lead you. We pray that you continue to lead by the example and standard you set and welcome and always encourage others to your table.

Keagan: your kindness and fun-nature create a welcome space for others to surround you. We pray that your vision is clear, you always feel God's presence and you continue to have the strength to always do what is right.

Karsyn My sweet girl, I have raised you in our holy faith, baptizing you at birth. I have prayed for you throughout your life, that you never feel alone in this world as you would grow to love God beyond anything else. You are the most caring, loving person I know. I am so proud of the women you are becoming. You have always recognized the beauty in this world. I pray that you keep God close in your life and know that all things are possible with him by your side! Psalms 55:22 Give your burdens to the lord and he will take care of you.
