What is Confirmation?

Confirmation is a 2 year journey for our students to dive into Scripture as a community together through the Old and New Testament. Over the course of the 2 years we live into the two main questions in the Covenant Denomination: **"How's your walk with Jesus?"** and **"Where is it written?"** My hope for the students is that they will know Jesus loves and pursues them and that confirmation is an invitation into a personal lifelong journey with Jesus. Confirmation isn't just informational, but transformational: finding for themselves where Scripture guides their lives in their faith questions. It has truly been an honor and privilege to walk beside each of your students this year and I am so proud of them for bravely confirming their faith and living a thriving life guided by Holy Spirit.
